

## EnviroVest Nanjing Exemplifies Operational Excellence

July 11th 2017

Mr. Zhang Ping, the Vice Chairman of the Standing Committee of the National People's Congress and former Director of the National Development and Reform Commission (NDRC) visited EnviroVest Nanjing on July 11, 2017.

Mr. Zhang highly complimented what the EnviroVest has achieved and the operational excellence it has demonstrated, and encouraged the company to seize the historical opportunity for environmental sectors, which is identified as a strategically important industry nationally and supported by governments of all levels. He urged EnviroVest to stay on the growth trajectory, aim for higher goals and contribute to the well-being of the society.
